PROJECT OVERVIEW

The San Bernardino Juvenile Detention Facility in San Bernardino, CA came to PolySpec Construction Services for the flooring repair of 168 holding cells, including common showers

To acquire state approval of this project, a mock-up area had to be installed.

- Per contract, Polyspec Construction Services, Inc. installed a mock-up for state approval.
- Project consists of 168 holding cells, including common showers.

KEY CONSIDERATIONS

Surface: Floor surface needed to be completely seamless for ease of cleaning, and durable to prevent degradation.

Safety: Floor surface needed to have slight non-slip, but not too aggressive for inmates' feet.

Color/Theme: Overall color scheme needed to be neutral to match overall finishes.
